ORDERS ARE RESERVED ON A FIRST COME FIRST SERVE BASIS. SUPPLIES ARE LIMITED - ORDER EARLY. WE WILL TAKE ORDERS UNTIL SUPPLIES ARE GONE.

Responsibility for survival of plant materials lies with the buyer. District liability ends when seedlings are picked up by the buyer, or after the specified distribution date. There will be no reimbursement for trees that do not survive. Complaints of tree non-survival will be investigated, if possible, by the District to try and determine the cause.

Donations are tax deductible and much appreciated! All proceeds from tree sales support the work of the Emmet Conservation District. We help you manage your local natural resources and provide education opportunities for youth and families. Thank you for your business and charitable support!
