Saturday April 29th 2017, 10:00am-12noon~ Register By: April 15th

Presenter: Steve Fouch, L&S Tree Health and Nursery

Sponsored by: EMMET CONSERVATION DISTRICT

### FRUIT TREE AND WORKSHOP COSTS:

**\$30/person** includes workshop attendance and 1st tree (choose any one from below):

**APPLE TREES:** semi-dwarf Honeycrisp, Red Jonagold, Gale Gala, and Northern Spy

**CHERRY TREES:** Attika, and Van (both sweet, black cherries, semi-dwarfs on Mazz. rootstock)

**CRABAPPLE:** \*NEW!\* Manchurian Crabapple (great apple tree pollinator!)

- Workshop attendance only: **\$20/person** ~ Additional trees: **\$20/each**

(Apple trees are ~5' ht, 1/2-5/8"-3/4" stem all on M111 rootstock except for Honeycrisp which is on M7 rootstock. Manchurian Crabapple is 5/8" on M7 rootstock.)

*Limited quantities available. Orders will be filled on a first-come/first-serve basis. You do not need to attend the workshop to purchase tree. Apple/Cherry/Crabapple trees will be available for pick-up at the workshop, between 10:00am-12noon April 29th. \*Remember: You need to have TWO VARIETIES of apple, crabapple, plum, pear, or sweet cherry trees for cross-pollination.*

Participants will learn about important tree planting and care information for a variety of fruit trees and plants including apple and cherry trees, saskatoons, and raspberries. Dress for the outdoors in early spring—wear boots and bring a rain jacket.

#### TOPICS COVERED:
