

# FORESTRY TALK: ICE STORM DAMAGE IN WORKING FORESTS

With Bryce & Susan Metcalfe

Co-owners of Metcalfe Forestry Co. and Burns Timber Tax Service

---

**WEDNESDAY MAY 14, 2025 | 5:30-7:30PM**

PELLSTON HIGH SCHOOL AUDITORIUM

172 PARK ST, PELLSTON, MI 49769

---

This talk will focus on working forests of 20 acres or more, the effects on forest health and value, to “salvage or not to salvage” your timber, options for clean-up, who to contact, and an opportunity to network with timber industry leaders and land clearing businesses. Information will be provided about federal cost-share assistance for forest restoration, casualty loss on your tax return due to storm damage, and future savings on your property taxes (Qualified Forest Program and Commercial Forest Act).

There is no cost to attend; donations welcome. For more information, please contact the Emmet Conservation District Office at 231-439-8977, or email: [jackie.pilette@macd.org](mailto:jackie.pilette@macd.org).
